REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT

1. Applicant requests that the holding of abandonment of this application be withdrawn. If a petition under 37 C.F.R. 1.181(a) is necessary, applicant respectfully requests that this paper be considered such a petition. No fee is believed to be required for entry of this paper or for the action requested herein.

2. In the event that a disclaimer is required dedicating to the public a terminal part of the term of any patent granted on this application that would extend beyond the date 20 years from the filing date of the application, then applicant hereby terminally disclaims such terminal part of the term of any patent granted on this application that would extend beyond 20 years from the filing date of this application.

3. This paper is being submitted because a check of the private pair page for this application indicates that the status of the case is still under a holding of abandonment on the basis of the Notice of Abandonment mailed by the Office on January 16, 2004, copy enclosed as Exhibit A.

4. Chronology:

SN 10/041,945
Page 2

- a. On January 7, 2002, a new application was filed in the USPTO and received a serial number 10/041,945. That application was filed with an unexecuted Declaration.
- b. On February 7, 2002, a NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION for this application was mailed by the USPTO.
- c. On March 6, 2002 a complete response to the NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION for this application was mailed to the USPTO with a certificate of first class mailing. A copy is enclosed as Exhibit B. The response included, *inter alia*: i. a Copy of the Notice to File Missing Parts of Nonprovisional Application, ii. Payment of the Filing Fee and Surcharge for Late Filing of Declaration, and iii. the executed Declaration and Power of Attorney in Original Application. A copy of the postcard receipt returned by the USPTO, evidencing receipt of the originally mailed response to the Notice to File Missing Parts stamped by the USPTO on March 15, 2002 is enclosed as Exhibit C.
- d. On November 19, 2003, a call was placed to the Group Art Unit to check on the status of this application. The USPTO stated that the application was in the pre-examination stage and was docketed to be assigned to an Examiner in 3-6 months.
- e. On January 16, 2004 a NOTICE OF ABANDONMENT for this application was mailed by the USPTO, Confirmation No. 4900.
- f. On January 27, 2004 a call was placed to the USPTO about the incorrect holding of abandonment of this application. The call was transferred to the Office of Petitions, and Ms. Andrea Smith (703-305-6711) instructed the undersigned to resubmit the response by fax transmission to the USPTO, to fax number 703-746-4060.
- g. On February 5, 2004, in response to the instructions from the USPTO, a copy of the reply to the NOTICE OF ABANDONMENT including the Response to the Notice of Missing Parts for this case was transmitted by fax to the USPTO. A copy of the fax transmittal sheet showing successful transmission is enclosed as Exhibit D. A copy of the Auto-Reply Facsimile Transmission sheet acknowledging receipt of the February 5, 2004 fax transmission is also enclosed as Exhibit E. This return receipt

generated by the Office includes an image of the cover page and the number of pages, as well as, the date and time this facsimile was received by the Office.

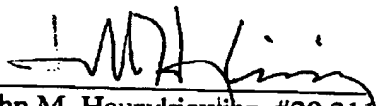

5. Applicant requests withdrawal of the holding of abandonment of this application. If a petition under 38 CFR 1.181 is required, MPEP 711.03(c), applicant respectfully requests that the Office treat the petition on its merits notwithstanding that it is submitted more than 2 months after the mailing date of the Notice of Abandonment for the following reasons: i.) applicant mailed the original response to the Notice of Missing Parts within the time allowed, i.e., on March 6, 2002, see Exhibits B and C; ii.) applicant made a *bona fide* attempt to respond within the 2 month period after the mailing date of the Notice of Abandonment by transmitting the missing papers according to the instructions from the Office, see Exhibits D and E.

6. No fee is believed to be necessary. Should any fee be required for entry of this paper or for the action requested herein, the Commissioner is authorized to charge our Deposit Account No. 06-0029 and is requested to notify us of the same.
